### TERMS OF USE

This website [www.coveredbondlabel.com](http://www.coveredbondlabel.com) (the "Site") is owned and operated by the Covered Bond Label Foundation (the Covered Bond Label Foundation together with its affiliates, "we" or "us") a Private Foundation (fondation privée / private stichting) registered in Belgium; whose registered office is at Rue de la Science 14 - 1040 Brussels - Belgium and registered under number 500.950.659 (RPR/RPM Brussels).

The Site is intended for use as a directory of information relating to certain covered bond products ("Products") (the "Product Information") by an issuer of ("Issuer"), or potential investor in ("Investor"), such Products (an Issuer, Investor, or any other person accessing this Site, each a "User" or "you"). The Product Information is provided by each relevant Issuer, and remains at all times the sole responsibility of the relevant Issuer. We have not independently verified any Product Information, nor reviewed whether any Product for which information is available on the Site actually is a covered bond product. This Site or any label made available through it does not constitute, nor contain, any form of credit rating, any offer to sell (or the solicitation of an offer to purchase) any Product, nor does it constitute a recommendation, or investment advice (or any other type of advice) upon which reliance should be placed.

These terms and conditions together with the documents referred to in them set out the terms of use ("T&Cs") on which (a) an Issuer; (b) Investor; or (c) any other User, may make use of the Site. Section A applies primarily to Investors, and Section B applies primarily to Issuers. The General T&Cs in Section C apply to all Users.

**Our Acceptable Use Policy and Privacy Policy** are incorporated into these T&Cs.

Please read the T&Cs carefully before you start to use the Site. By clicking 'Accept' you indicate that you accept these T&Cs and that you agree to abide by them.

If any provision of these T&Cs shall be deemed unlawful, void or for any reason unenforceable, then that provision shall be deemed severable from these terms and shall not affect the validity and enforceability of any remaining provisions.

## SECTION A. INVESTOR T&Cs

### 1. DIRECTORY SERVICES

The Site is intended to provide you with certain information from Issuers regarding the self-certification of their Products as labelled covered bonds. The requirements of the Covered Bond Label Convention are intended to increase transparency, improve investor access to information, and improve liquidity in covered bonds, but they are not a substitute in any way for each User's independent investment and credit evaluation.

The Product Information on this Site is provided for your convenience only, and does not constitute any form of credit rating, an offer to sell (or the solicitation of an offer to purchase) any Product, nor does it constitute a recommendation, or investment advice (or any other type of advice) upon which reliance should be placed.

Users shall exercise independent judgment when viewing the Site and its contents, to make their own investigations and evaluations of the information contained on this Site or accessible through it, and to consult their own attorney, business adviser, tax adviser, and/or any other professional necessary, as to legal, business, tax and investment-related matters concerning the Products and Product Information contained on this Site. No information contained on the Site should be construed as legal, tax, investment, or accounting advice.

Product Information is incorporated into the directory on the Site following the completion of an automated process conducted by the relevant Issuer. The proper conduct of that process and the accuracy and completeness of the Product Information supplied during that process remain at all times the responsibility of the relevant Issuer. While the Product Information contained on the Site is displayed by us in good faith, no representation is made by us as to its completeness or accuracy. **PRODUCT INFORMATION IS DISPLAYED ON THE SITE "AS IS" AND HAS NOT BEEN INDEPENDENTLY VERIFIED BY US. BY YOUR USE OF THE SITE, YOU AGREE THAT WE HAVE NO LIABILITY WHATSOEVER REGARDING THE ACCURACY OF COMPLETENESS OF THE PRODUCT INFORMATION ON THIS SITE.** Inclusion of Product Information in the directory on the Site does not constitute a warranty or representation by us that the Product is a covered bond product or complies with any particular criteria or regulations.

Completion of the relevant self-certification automated process by the Issuer will lead to the grant of the Covered Bond Label. The grant of such label is entirely within the control of the relevant Issuer, and we do not independently verify whether such Issuer complies with the relevant criteria. The existence of a Covered Bond Label does not represent any opinion by us about the creditworthiness of a Product, the value or price of a Product, the appropriateness of a Product's terms, or the Product's future investment performance. Nothing contained on this Site is intended to predict or project future performance.

We make no representation that the Products which are featured on the Site are suitable for you and we disclaim all liability and responsibility arising from any reliance placed on any Product Information or on the Covered Bond Label by any visitor to the Site, or by anyone who may be informed of any of its contents.

From time to time we may make changes to the Site that we feel are appropriate (see Section C, para 3 below).

We accept no liability for and do not endorse any statements, advertisements, information, products or services that are published on or may be accessible through any websites owned or operated by third parties or for any action you may take as a result of using the website.

Those third party websites may also be subject to separate legal terms and conditions, and Issuers may be subject to separate regulation and are solely responsible for satisfying such regulatory requirements. We do not represent or warrant that any Issuer you deal with is fully authorised under or compliant with any law or regulation in any jurisdiction.

You agree not to link any websites to this Site without our express prior written consent. We reserve the right, at any time and for any reason not prohibited by law, to deny permission to anyone to link a website from or to this Site, as well as the right to remove any link currently appearing on our Site.

Harmonised Transparency Template - Frequently Asked Questions	
<b>General Questions</b>	
<b>Question 1: What is the structure of the Harmonised Transparency Template (HTT)?</b>	
Response 1	The HTT contains 5 main worksheets (A, B1, B2, B3 and C). The first worksheet (A) includes the HTT general information. The second worksheet (B1) presents the mortgage information. The third worksheet (B2) contains the public sector information. The fourth worksheet (B3) contains shipping information. The fifth worksheet (C) represents the HTT glossary, which has a harmonised section across jurisdictions at the top, but also a section for national specificities below. Any additional tabs (D, E, etc.), will contain the National Transparency Template (NTT) information where relevant.
<b>Question 2: Is the HTT going to replace the National Transparency Template (NTT)?</b>	
Response 2	If a jurisdiction wishes to only use the HTT, it can do so. Otherwise, the HTT will be an add-on to the existing NTT. While the HTT is based on an international agreement, the NTT section will remain under the discretion of the jurisdiction.
<b>Question 3: What is the reporting frequency of the HTT?</b>	
Response 3	The reporting of the HTT is the same as the reporting of the National Transparency Template (NTT), i.e. at least quarterly.
<b>Question 4: Where should the HTT be posted?</b>	
Response 4	The HTT should be posted in the same location as the National Transparency Template (NTT) is currently posted, i.e. on the issuer's website. There is no common platform for the HTT.
<b>Question 5: In what format the HTT should be disclosed?</b>	
Response 5	The HTT should be disclosed in Excel format in so far as it is possible, as already suggested by the Label Advisory Council and investors. Where issuers are currently providing the Template in both Excel and PDF formats, they are encouraged to continue to do so.
<b>Question 6: Where can I find the reporting date?</b>	
Response 6	The reporting date can be found in the Introduction Tab and in the "Basic Facts" section of worksheet A.
<b>Question 7: What happens when I cannot complete a section of the HTT?</b>	
Response 7	When the information is either (i) not applicable for the jurisdiction, (ii) not relevant for the issuer and/or CB programme at the present time; or (iii) not available at the present time; issuers are kindly requested to include ND1, ND2 or ND3 respectively.
<b>Specific Questions</b>	
<b>Question 8: Does the Harmonised Transparency Template only contain disaggregated information for mortgages and public sector?</b>	
Response 8	Indeed, the HTT only provides disaggregated information for mortgage and public sector assets which represent 99.6% of total outstanding. Information in more detail on other collateral types can always be included in worksheet E, which may contain the National Transparency Template (NTT).
<b>Question 9: How should the "liquid assets" be calculated in the section 3 "General Cover Pool / Covered Bond Information" of the HTT?</b>	
Response 9	Liquid assets are defined as central bank eligible assets, substitute and other marketable assets. This total is calculated over both outstanding covered bonds and outstanding covered assets.
<b>Question 10: How should the "expected" and "contractual" columns of the "Cover pool amortisation profile" be understood?</b>	
Response 10	Contractual maturities assume no prepayment scenario unlike expected maturities. Jurisdictions/issuers publishing the two should disclose their prepayment assumptions for the latter.
<b>Question 11: How should the hedging columns included in section 3 "General Cover Pool / Covered Bond Information" of the HTT be understood?</b>	
Response 11	The currency breakdown before/after hedging aims to assess the potential currency mismatch on the asset and liability sides. This is supplemented by explanations on the issuer's hedging strategy in the Harmonised Glossary.

The issuer believes that, at the time of its issuance and based on transparency data made publicly available by the issuer, these covered bonds would satisfy the eligibility criteria for Article 129(7) of the Capital Requirements Regulation (EU) 648/2012. It should be noted, however, that whether or not exposures in the form of covered bonds are eligible to preferential treatment under Regulation (EU) 648/2012 is ultimately a matter to be determined by a relevant investor institution and its relevant supervisory authority and the issuer does not accept any responsibility in this regard.
