3.5 Scottish Trust Security

- (a) The Issuer undertakes forthwith upon the execution and delivery of a Scottish Declaration of Trust entered into pursuant to Clause 3 (Closing Date) or Clause 4 (Sale and Purchase of Additional Loans) of the Mortgage Sale Agreement or otherwise, to execute and deliver to the Security Trustee a Scottish Supplemental Charge substantially in the form set out in **Schedule 4** (Form of Scottish Supplemental Charge) to this Deed. 3.9 Full Title Guarantee

Each of the dispositions, assignments or assignments of or charges over property effected in or pursuant to **Clauses 3.1** (Contractual Rights) to **3.8** (Floating Charge) (inclusive) is made with full title guarantee or, in relation to Scottish Mortgage Loans and their Related Security, with absolute warrandice.

For the avoidance of doubt and subject to **Clauses 3.4** (Scottish Sub-Securities) and **3.5** (Scottish Trust Security), it is hereby confirmed that reference herein to Mortgage Loans (including English Mortgage Loans and Scottish Loans), their Related Security and Insurance Policies and related rights under the same include those which are hereafter sold or transferred to or otherwise acquired by the Issuer and that the Security created by or pursuant to **Clause 3.1** (Contractual Rights) to **Clause 3.7** (Authorised Investments) (inclusive) are, and are intended to be, specific and fixed assignments and assignations by way of security of, or specific and fixed charges or standard securities over (as the case may be), the items to which they relate, both present and future acquired.

3.11 Notice and Acknowledgement

- (a) The execution of this Deed by the Security Trustee (on behalf of the Secured Creditors) constitutes irrevocable notice in writing to each Secured Creditor of the assignment of all of the Issuer's rights, title, interest and benefit, present and future in, to and under the Transaction Documents charged under **Clause 3.1** (Contractual Rights) (the **Charged Transaction Documents**) and the execution of this Deed by each of the Secured Creditors shall constitute an express acknowledgement by each of them of such conveyances, transfers, charges and assignments and other Security Interests made or granted by the foregoing provisions of this **Clause 3**. The Issuer authorises and instructs each of the Secured Creditors, in relation to the Issuer's rights (but not its obligations) under the relevant Charged Transaction Document(s), to deal with the Security Trustee without reference to the Issuer after the Security created under or pursuant to this Deed has become enforceable.
- (b) Each Secured Creditor (other than the Security Trustee) acknowledges and consents to the assignment referred to in **paragraph (a) above** and confirms that:

3.12 Charged Transaction Documents

Subject to **Clause 24.2** (Delegation), without prejudice to the rights of the Security Trustee after the Security created under or pursuant to this Deed has become enforceable, the Issuer hereby authorises the Security Trustee, prior to the Security created by or pursuant to this Deed becoming enforceable, to exercise, or refrain from exercising, all rights, powers, authorities, discretions and remedies of the Issuer under or in respect of the Transaction Documents referred to in **Clause 3.1** (Contractual Rights) in such manner as the Security Trustee in its absolute discretion shall think fit. For the avoidance of doubt, the Security Trustee shall not be required to have regard to the interests of the Issuer in the exercise or non-exercise of any such rights, powers, authorities, discretions and

remedies or to comply with any direction given by the Issuer in relation thereto nor shall the Security Trustee be obliged to exercise any such rights, powers, authorities, discretions and remedies prior to the Security becoming enforceable.

3.13 Notice of Transaction Documents

Each Secured Creditor (other than the Security Trustee and the Note Trustee) shall be deemed to have notice of all of the provisions of the Transaction Documents.

Notwithstanding the Security but subject as provided otherwise in this Deed, each of the parties acknowledges that each Secured Creditor and each other party to any Charged Transaction Document may continue to make all payments becoming due to the Issuer under any Transaction Document in the manner envisaged by that document until receipt of written notice from the Security Trustee or any Receiver requiring payments to be made otherwise.

5.1 Continuing Security

The charges, assignments and assignments and other Security Interests contained in or granted pursuant to this Deed:

- (a) shall be without prejudice and in addition to and shall not merge with any other security whatsoever which may be held by the Secured Creditors or the Security Trustee on behalf of the Secured Creditors from the Issuer or any other person for or in respect of the whole or part of the Secured Obligations; and
- (b) shall remain in force as continuing security for the Secured Creditors notwithstanding any settlement of account or the existence at any time of a credit balance on any current or other account or any other act, event or matter whatsoever.

- (b) The Security Trustee may pay over to the Receiver or the Receiver may receive or recover any monies constituting part of the Charged Assets to the extent that the same may be applied for the purposes referred to in **Clause 7.2** (Post-Acceleration Priority of Payments) by such Receiver and the Security Trustee may from time to time determine what funds the Receiver shall be at liberty to keep in hand with a view to the performance of their duties as such Receiver.

10.7 Appointment of Administrator

Upon application being made to a court of competent jurisdiction for an administration order or the service of a notice of intention to appoint an administrator or the filing of documents with the court for the appointment of an administrator in relation to the Issuer or other order having substantially the same effect to be made on application by a creditor or creditors of the Issuer, the Security Trustee (to the extent it has received written notice of the occurrence of any such event and acting on the instructions of the Note Trustee) shall, subject to it being indemnified and/or secured and/or prefunded to its satisfaction, as soon as practicable appoint a Receiver in accordance with this Deed (who shall, to the extent permitted by law, be an "administrative receiver" under Section 29(2) of the Insolvency Act) of the whole of the Charged Assets and, in the case of any application to the court or petition, the Security Trustee shall instruct the Receiver to attend at the hearing of the application or petition and take such steps as are necessary to act for the interests of the Secured Creditors and to prevent the appointment of an administrator, who would act in the interests of all of the creditors of the Issuer, whether secured or not. The Secured Creditors shall co-operate and do all acts and enter into such further documents, deeds or agreements as the Security Trustee may deem necessary or desirable to ensure that an administration order is not made or that an administrator is not otherwise appointed and that an administrative receiver is appointed. Neither the Note Trustee nor the Security Trustee shall be liable to any Secured Creditor or any other person for any other loss occasioned by any delay or failure in effecting any such appointment or instruction.

11. PROTECTION OF THIRD PARTIES

11.1 Enquiry

No purchaser from, or other person dealing with, the Security Trustee or a Receiver shall be concerned to enquire whether any of the powers exercised or purported to be exercised has arisen or become exercisable, whether the Secured Obligations remain outstanding or have become payable, whether the Receiver is authorised to act or as to the propriety or validity of the exercise or purported exercise of any power; and the title of such a purchaser and the position of such a person shall not be impeachable by reference to any of those matters and the protections contained in Sections 104 to 107 of the 1925 Act, Section 21 of the 1881 Act and Section 5 of the 1911 Act shall apply to any person purchasing from or dealing with a Receiver or the Security Trustee or Section 2(3) of the Insolvency Act 1986 to any person dealing with an administrative receiver.

11.2 Receipts

The receipt of the Security Trustee or the Receiver shall be an absolute and a conclusive discharge to a purchaser and shall relieve them of any obligation to see to the application of any monies paid to or by the direction of the Security Trustee or the Receiver.

12. PROTECTION OF SECURITY TRUSTEE AND RECEIVER

12.1 Liability

Subject to Sections 750 and 751 of the Companies Act 2006 (if applicable), neither the Security Trustee nor the Receiver of the Issuer shall be liable to the Issuer in the absence of wilful default, fraud or negligence on their part or that of their officers, employees or agents in respect of any Liability which arises out of the exercise or the attempted or purported exercise of or failure to exercise any of their respective powers.

12.2 Possession

Without prejudice to the generality of **Clause 12.3** (Mortgagee in Possession), entry into possession of the Charged Assets of the Issuer shall not render the Security Trustee or the Receiver of that company liable to account as mortgagee or heritable creditor in possession. If and whenever the Security Trustee or the Receiver enters into possession of the Charged Assets, it shall be entitled at any time to go out of such possession.

12.3 Mortgagee in Possession

Neither the Security Trustee, the Receiver nor the Secured Creditors shall, by reason of any assignment or other Security made under this Deed, be or be deemed to be a mortgagee or heritable creditor in possession nor shall they take any action (other than, in the case of the Secured Creditors, with the Security Trustee's prior written consent) which would be likely to lead to the Secured Creditors, the Receiver or the Security Trustee becoming a mortgagee or heritable creditor in possession in respect of any property referred to in this Deed. The Security Trustee, in its absolute discretion, may at any time, serve a written notice on the Secured Creditors requiring the Secured Creditors from the date such notice is served to obtain the Security Trustee's prior written consent before taking any action which would be likely to lead to the Secured Creditors or the Security Trustee becoming a mortgagee or heritable creditor in possession in respect of any property referred to in this Deed.

14. PROTECTION OF SECURITY

The Issuer further covenants with and undertakes to the Security Trustee from time to time (and, for the purposes mentioned in **paragraph (a) below**, notwithstanding that the Note Acceleration Notice may not have been served) upon demand to execute, at the Issuer's own cost any document or do any act or thing (other than any amendment hereto) as shall be necessary or which the Security Trustee may specify:

- (a) with a view to registering or perfecting any charge or other Security created or intended to be created by or pursuant to this Deed (including the perfecting of the conversion of any floating charge to a fixed charge pursuant to **Clause 15.1** (Notice) or **15.2** (Automatic Crystallisation)); or
- (b) with a view to facilitating the exercise or the proposed exercise of any of their powers or the realisation of any of the Charged Assets; or
- (c) with a view to protecting the Encumbrances created by or pursuant to this Deed,

provided that the Issuer shall not be obliged to execute any further documentation or take any other action or steps to the extent that it would breach a restriction in any such agreement to which it is a party relating to assignment, transferring, charging or sharing of possession/rights of such benefit.

15. CRYSTALLISATION

15.1 Notice

Subject to applicable laws, in addition and without prejudice to any other event resulting in a crystallisation of the floating charge created by this Deed or any other right the Security Trustee may have, the Security Trustee may, at any time, if:

- (a) any Event of Default is subsisting and has not been waived; or
- (b) the Security Trustee reasonably believes that the Charged Assets or any part thereof is in danger of being seized or sold under any form of distress, attachment, diligence, or execution levied or threatened or is otherwise in jeopardy or imperilled or any circumstance shall occur of which the Security Trustee has knowledge which in the reasonable opinion of the Security Trustee, imperils or will imperil the Security created by this Deed or the Issuer takes or threatens to take any action that would be prejudicial to the Security or would be inconsistent with the Security created hereby,

by notice in writing to the Issuer declare that the floating charge hereby created shall be converted into a first specific fixed charge as to all of the undertaking, property and assets or such of them as may be specified in the notice, and by way of further assurance, the Issuer, at its own expense, shall execute all documents in such form as the Security Trustee shall require and shall deliver to the Security Trustee all conveyances, deeds, certificates and documents which may be necessary to perfect or, in respect of Scottish assets, to create and perfect, such first specific fixed charge or first ranking fixed security.

15.2 Automatic Crystallisation

- (a) Subject as set out below, in addition and without prejudice to any other event resulting in a crystallisation of the floating charge, the floating charge contained herein shall automatically be converted into a fixed charge over all property, assets or undertaking of the Issuer subject to the floating charge if and when:
 - (i) a Note Acceleration Notice is served on the Issuer;
 - (ii) the Issuer ceases to carry on all or a substantial part of its business or ceases to be a going concern or thereafter to do any of the foregoing;
 - (iii) the Issuer stops making payments to its creditors or gives notice to creditors that it intends to stop payment;
 - (iv) the holder of any other Encumbrance in relation to the Issuer, whether ranking in priority to or *pari passu* with or after the charges contained in this Deed, appoints a Receiver; or
 - (v) any floating charge granted by the Issuer to any other person (whether permitted by the Transaction Documents or not) crystallises for any reason whatsoever.

except in relation to the Issuer's Scottish assets, where crystallisation will occur on the appointment of administrative receiver or receiver or upon commencement of the winding up of the Issuer.

- (b) The floating charge created by **Clause 3.8** (Floating Charge) above may not be converted into a fixed charge solely as a result of the obtaining of a moratorium (or anything done with

a view to obtaining a moratorium) under the Insolvency Act 2000 except with leave of the court.

15.3 Failure of Petition for Administration or Winding-up

If any petition for the administration or winding-up of the Issuer or filing of documents with the court for the administration or service of a notice of intention to appoint an administrator in relation to the Issuer is dismissed or withdrawn or a resolution for winding-up the Issuer is not passed by the necessary majority, then without prejudice to any rights exercisable otherwise than in consequence of the presentation of such petition or the filing of documents or the service of a notice or resolution and subject to anything done in the meantime in pursuance of the powers given by this Deed and subject to the provisions contained in this Deed as to costs charges and expenses incurred and payments made, possession of the Charged Assets will be restored to the Issuer, and the Issuer and all persons concerned will be remitted to their original rights provided that the Security Trustee is satisfied that its security position at that time is not materially different to that as at the date of this Deed as shall be confirmed in writing to the Security Trustee and by a professional adviser including, without limitation, a legal adviser of recognised repute appointed by the Issuer and approved in writing by the Security Trustee, all at the expense and cost of the Issuer.

16. POWER OF ATTORNEY

Immediately upon execution of this Deed, the Issuer shall execute and deliver to the Security Trustee the power of attorney in or substantially in the form set out in Schedule 1 (Issuer Power of Attorney).

17. OTHER SECURITY, ETC.

17.1 No Merger

The charges or other Security Interests contained in or created pursuant to this Deed are in addition to, and shall neither be merged in, nor in any way exclude or prejudice any other Encumbrance, right of recourse, set-off or other right whatsoever which the Security Trustee or any Secured Creditor may now or at any time hereafter hold or have (or would apart from this Deed or any charge contained or created pursuant to this Deed hold or have) as regards the Issuer or any other person in respect of the Secured Obligations, and neither the Security Trustee nor any Secured Creditor shall be under any obligation to take any steps to call in or to enforce any Security for the Secured Obligations, and shall not be liable to the Issuer for any loss arising from any omission on the part of the Security Trustee or any Secured Creditor to take any such steps or for the manner in which the Security Trustee or any Secured Creditor shall enforce or refrain from enforcing any such Security.

17.2 Consolidation

Section 93 of the 1925 Act and Section 17 of the 1881 Act shall not apply in relation to any of the charges contained in this Deed.

17.3 Ruling Off

If the Security Trustee receives notice of any Encumbrance affecting the Charged Assets in contravention of the provisions hereof:

- (a) the Security Trustee may open a new account in respect of the Issuer and, if it does not, it shall nevertheless be deemed to have done so at the time it received such notice; and
- (b) all payments made by the Issuer to the Security Trustee after the Security Trustee receives such notice shall be credited or deemed to have been credited to the new account, and in no

circumstances whatsoever shall operate to reduce the Secured Obligations as at the time the Security Trustee received such notice.

17.4 Change of Name, etc.

This Deed shall remain valid and enforceable notwithstanding any change in the name, composition or constitution of the Security Trustee or the Issuer or any amalgamation or consolidation by the Security Trustee or the Issuer with any other corporation (whether, in the case of the Issuer, permitted by the Transaction Documents or not).

18. AVOIDANCE OF PAYMENTS

18.1 No Release

No assurance, security or payment which may be avoided or adjusted under the law, including under any enactment relating to bankruptcy or insolvency and no release, settlement or discharge given or made by the Security Trustee or any Secured Creditor on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Security Trustee or any Secured Creditor to recover the Secured Obligations from the Issuer (including any monies which it may be compelled to pay or refund under the provisions of the Insolvency Act 1986 and any costs payable by it pursuant to or otherwise incurred in connection therewith) or to enforce the charges or other Security contained in this Deed to the full extent of the Secured Obligations.

18.2 Retention of Charges

If the Security Trustee shall have reasonable grounds for believing that the Issuer may be insolvent or deemed to be insolvent pursuant to the provisions of the Insolvency Act 1986 (and production of a solvency certificate of a duly authorised officer of the Issuer shall be *prima facie* evidence of the solvency of the relevant company) at the date of any payment made by the Issuer to the Security Trustee and that as a result, such payment may be capable of being avoided or clawed back, the Security Trustee shall be at liberty to retain the charges or other Security contained in or created pursuant to this Deed until the expiry of a period of one month plus such statutory period within which any assurance, security, guarantee or payment can be avoided or invalidated after the payment and discharge in full of all Secured Obligations notwithstanding any release, settlement, discharge or arrangement which may be given or made by the Security Trustee on, or as a consequence of, such payment or discharge of liability provided that, if at any time within such period, a petition shall be presented to a competent court for an order for the winding up or the making of an administration order or documents shall be filed with the court for the appointment of an administrator or formal notice shall be given of an intention to appoint an administrator in respect of the Issuer or the Issuer shall commence to be wound up or to go into administration or any analogous proceedings shall be commenced by or against the Issuer, the Security Trustee shall be at liberty to continue to retain such security for such further period as the Security Trustee may determine and such security shall be deemed to continue to have been held as security for the payment and discharge to the Security Trustee of all Secured Obligations.

19. SET OFF

The Security Trustee may at any time following the service of a Note Acceleration Notice which has not been withdrawn (without notice and notwithstanding any settlement of account or other matter whatsoever) combine or consolidate all or any existing accounts of the Issuer (other than any Collateral Account) whether in its own name or jointly with others and held by it or any Secured Creditor and may set off or transfer all or any part of any credit balance or any sum standing to the credit of any such account (whether or not the same is due to the Issuer from the Security Trustee or relevant Secured Creditor and whether or not the credit balance and the account in debit or the

Secured Obligations are expressed in the same currency in which case the Security Trustee is hereby authorised to effect any necessary conversions at its prevailing rates of exchange) in or towards satisfaction of any of the Secured Obligations and may in its absolute discretion estimate the amount of any liability of the Issuer which is contingent or unascertained and thereafter set off such estimated amount and no amount shall be payable by the Security Trustee to the Issuer unless and until all Secured Obligations have been ascertained and fully repaid or discharged.

20. EXECUTION OF DOCUMENTS

Any document required to be executed as a deed by the Security Trustee under or in connection with this Deed shall be validly executed if executed as a deed by a duly authorised attorney of the Security Trustee.

21. EXERCISE OF CERTAIN RIGHTS

21.1 No Enforcement by Secured Creditors

Subject to and without prejudice to the provisions of **Clause 21.4** (Mandatory Enforcement) each of the Secured Creditors (other than the Security Trustee, the Noteholders, and the Note Trustee acting on behalf of the Noteholders who may only take action permitted pursuant to the Trust Deed) hereby agrees with the Issuer and the Security Trustee that:

- (a) only the Security Trustee may enforce the Security created in favour of the Security Trustee by this Deed in accordance with the provisions hereof; and
- (b) it shall not take any steps for the purpose of recovering any of the Secured Obligations (including, without limitation, by exercise of any rights of set off (other than express rights of netting under Section 6 and Section 2 of the Interest Rate Swap Agreement or in respect of the Account Bank and the GIC Provider in accordance with **Clause 3.3** (Bank Charges) of the Bank Account Agreement)) or enforcing any rights arising out of the Transaction Documents against the Issuer or procuring the winding up, administration (including, for the avoidance of doubt, the filing of documents with the court or the service of a notice of intention to appoint an administrator) or liquidation of the Issuer in respect of any of its liabilities whatsoever,

unless a Note Acceleration Notice shall have been served (which has not been withdrawn) and the Security Trustee having become bound to take any steps or proceedings to enforce the said Security pursuant to this Deed, fails to do so within thirty (30) days of becoming so bound and that failure is continuing (in which case, each of such Secured Creditors shall be entitled to take any such steps and proceedings as it shall deem necessary other than the presentation of a petition for the winding up of, or for an administration order in respect of, the Issuer or the filing of documents with the court or the service of a notice of intention to appoint an administrator in relation to the Issuer).

21.2 Limited Recourse

- (a) Each of the Secured Creditors agrees that, notwithstanding any other provision of any Transaction Document, all obligations of the Issuer to each such Secured Creditor are limited in recourse to the Charged Assets. If:
 - (i) there are no Charged Assets remaining which are capable of being realised or otherwise converted into cash;

- (ii) all amounts available from the Charged Assets have been applied to meet or provide for the relevant obligations specified in, and in accordance with, the provisions of this Deed; and
- (iii) there are insufficient amounts available from the Charged Assets to pay in full, in accordance with the provisions of this Deed, amounts outstanding in respect of the Secured Obligations,

then the Secured Creditors shall have no further claim against the Issuer in respect of any amounts owing to them which remain unpaid and such unpaid amounts shall be deemed to be discharged in full and any relevant payment rights shall be deemed to cease.

- (b) The provisions of this **Clause 21.2** shall survive the termination of this Deed.

21.3 Discretionary Enforcement

Subject to the provisions of this Deed, the Security Trustee may at any time, at its discretion and without notice, take such proceedings and/or other action or steps as it may think fit against, or in relation to, the Issuer or any other person to enforce their respective obligations under any of the Transaction Documents. Subject to the provisions of this Deed, at any time after the Security has become enforceable, the Security Trustee may, at its discretion and without notice, take such steps and/or other actions or proceedings as it may think fit to enforce such Security.

21.4 Mandatory Enforcement

- (a) Notwithstanding any provisions of the Transaction Documents, the Security Trustee shall not be bound to take any steps or to institute any proceedings or to take any other action or exercise any of its functions under or in connection with any of the Transaction Documents (including, without limitation, enforcing the Security constituted by or pursuant to this Deed if it has become enforceable) unless:
 - (i) directed to do so by (A) a direction given by way of an Extraordinary Resolution of the Controlling Class or in writing by the holders of at least 25 per cent. in aggregate Principal Amount Outstanding of the Controlling Class then outstanding or (B) if there are no Notes then outstanding, all the other Secured Creditors (in each case the "Instructing Party"); and
 - (ii) in all cases, it shall have been indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable and all Liabilities which it may incur by so doing and the terms of such indemnity and/or security and/or prefunding may include the provision of a fighting fund, non-recourse loan or other similar arrangement,

upon being directed in accordance with **paragraph (i)** and subject to **paragraph (ii)** above, the Security Trustee will be bound to take such action in the manner instructed by the Instructing Party, provided that the Security Trustee may at all times, whether or not so instructed, take such action in respect of any right, power or discretion which is personal to the Security Trustee or is to preserve or protect the Security Trustee's position or is of a purely administrative nature.

- (b) The Security Trustee shall not be liable to any Secured Creditors for any action it may take in accordance with any instructions received pursuant to this **Clause 21.4**. The Security Trustee shall be entitled to seek clarification from the relevant Instructing Party with regard to such instructions and may in its discretion elect not to act pending receipt of such

clarification to its satisfaction from such relevant Instructing Party and shall not be liable to any person for any loss occasioned thereby.

- (c) The Security Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Security Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to take the relevant action in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

21.5 Disposal of Charged Assets

Notwithstanding **Clause 9** (The Security Trustee's Powers), if the Security has become enforceable otherwise than by reason of a default in payment of any amount due on the Notes, the Security Trustee will not be entitled to dispose of any of the Charged Assets on any part thereof unless either (a) a sufficient amount would be realised to allow discharge in full on a *pro rata* and *pari passu* basis of all amounts owing to the Class A Noteholders (and all persons ranking in priority thereto as set out in the Priority of Payments) or, once all of the Class A Noteholders have been repaid, to the Class Z VFN Holder (and all persons ranking in priority thereto as set out in the Priority of Payments) or (b) the Security Trustee is of the opinion, which shall be binding on the Secured Creditors, reached after considering at any time and from time to time the advice of any financial adviser (or such other professional adviser selected by the Security Trustee for the purpose of giving such advice), upon which advice the Security Trustee may rely absolutely without any liability to any person, that the cash flow prospectively receivable by the Issuer will not (or that there is a significant risk that it will not) be sufficient, having regard to any other relevant actual, contingent or prospective liabilities of the Issuer, to discharge in full in due course all amounts owing to the Class A Noteholders (and all persons ranking in priority thereto as set out in the Priority of Payments) (or, once all of the Class A Noteholders have been repaid, to the Class Z VFN Holder (and all persons ranking in priority thereto as set out in the Priority of Payments)). The fees and expenses of the aforementioned financial adviser or other professional adviser selected by the Security Trustee shall be paid by the Issuer.

22. COVENANTS AND WARRANTIES

22.1 Warranty

- (a) The Issuer warrants to the Security Trustee that it has taken all necessary steps to enable it to charge or assign as Security the Charged Assets in accordance with **Clause 3** (Security and Declaration of Trust), and that it has taken no action or steps to prejudice its right, title and interest in and to the Charged Assets.
- (b) The Issuer warrants to the Security Trustee (on behalf of the Secured Creditors) as at the date of this Deed that:

 - (v) the entry by it into and the execution (and, where appropriate, delivery) of this Deed and the performance by the Issuer of its obligations under this Deed does not and will not conflict with or constitute a breach or infringement by the Issuer of its Memorandum and Articles of Association or any requirement of law or any regulatory direction or any other agreement to which the Issuer is a party or which is binding on it or any of its assets.
- (c) The Issuer warrants to the Security Trustee that it does not hold, and has not at any time held any capital assets and will not at any time hold any assets other than the Portfolio save to the extent reasonably incidental to the activities envisaged by the Transaction Documents.
 - (d) The Issuer warrants to the Security Trustee that the obligations expressed to be assumed by the Issuer under this Deed are legal and valid obligations, binding on it and enforceable against it in accordance with their terms except:
 - (i) as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium, reorganisation or other similar laws affecting the enforcement of the rights of creditors generally;
 - (ii) as such enforceability may be limited by the effect of general principles of equity; and
 - (iii) obligations relating to stamp duties may be void by virtue of Section 117 of the Stamp Act 1891.
 - (e) The Issuer represents and warrants to the Security Trustee that it does not have, and has not had since the date of its incorporation, a source of income prior to the Closing Date.
 - (f) The Issuer hereby covenants to the Security Trustee that no director will be connected to the YBS Group.

24.2 Delegation

The Security Trustee may, in the execution of all or any of the trusts, powers, authorities and discretions vested in it by this Deed or any of the other Transaction Documents, act by responsible officers or a responsible officer for the time being of the Security Trustee. The Security Trustee may also, whenever it thinks expedient in the interests of the Secured Creditors, whether by power of attorney or otherwise, delegate to any person or persons all or any of the trusts, rights, powers, duties, authorities and discretions vested in it by this Deed or any of the other Transaction Documents. Any such delegation may be made upon such terms and conditions and subject to such regulations (including power to sub-delegate) as the Security Trustee may think fit in the interests of the Secured Creditors or any of them and, provided that the Security Trustee shall have exercised reasonable care in the selection of such delegate and, where a power to sub-delegate has been given, to request that the delegate exercise reasonable care in the selection of any sub-delegate, the Security Trustee shall not be bound to supervise the proceedings of, or be responsible for any loss incurred by any misconduct, omission or default on the part of, such delegate or sub-delegate.

24.3 Commercial Transactions

The Security Trustee shall not, and no director, officer or employee of any corporation being a trustee hereof shall, by reason of the fiduciary position of the Security Trustee, be in any way precluded from making any contracts or entering into any transactions in the ordinary course of business with the Issuer or Holdings or any other Subsidiary of Holdings or any other party to the Transaction Documents or from accepting the trusteeship of any stock, shares, debenture stock, debentures or securities of any such person. Without prejudice to the generality of the foregoing, it is expressly declared that such contracts and transactions include any contract or transaction in relation to the placing, underwriting, purchasing, subscribing for or dealing with or lending money upon or making payments in respect of any stock, shares, debenture stock, debentures or other securities of the Issuer or Holdings or any other Subsidiary of Holdings or any other party to the Transaction Documents or any contract of banking or insurance with the Issuer or Holdings or any other Subsidiary of Holdings or any other party to the Transaction Documents. Neither the Security

Trustee nor any such director or officer of the Security Trustee shall be accountable to any of the Secured Creditors or the Issuer or Holdings for any profit, fees, commissions, interest, discounts or share of brokerage earned, arising or resulting from any such contracts or transactions. The Security Trustee and any such director, officer or employee shall be at liberty to retain the same for its or their own benefit.

24.4 Additional Powers

The powers conferred by this Deed upon the Security Trustee shall be in addition to any powers which may from time to time be vested in it by general law.

24.5 Consent of Security Trustee

If a request is made to the Security Trustee by the Issuer or any other person to give its consent or approval to any event, matter or thing, then:

- (a) if the Transaction Document specifies that the Security Trustee is required to give its consent or approval to that event, matter or thing if certain specified conditions are satisfied in relation to that event, matter or thing, then the Security Trustee shall give its consent or approval to that event, matter or thing upon being satisfied that those specified conditions have been satisfied; and
- (b) in any other case, the Security Trustee may give its consent or approval if so instructed by the Note Trustee.

24.6 Interests of Secured Creditors

Where the Security Trustee is required to have regard to the interests of any Secured Creditor (other than the Noteholders), the Security Trustee may consult with such Secured Creditor and may rely on the written confirmation of such Secured Creditor as to whether any act, matter or thing is or is not in the interests of, or materially prejudicial to the interests of, such Secured Creditor.

24.7 Modification to Transaction Documents

- (a) The Security Trustee may from time to time and at any time, only with the written consent of the Secured Creditors which are a party to the relevant Transaction Documents and after the Issuer having notified the Rating Agencies but without any consent or sanction of any other Secured Creditors, concur with the Issuer and any other person in making or sanctioning any modification:
 - (i) to any of the Transaction Documents which in the opinion of the Security Trustee it may be expedient to make, provided that the Security Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the Noteholders; or
 - (ii) to any of the Transaction Documents which in the Security Trustee's opinion is made to correct a manifest error or is of a formal, minor or technical nature,
- (b) provided that in respect of any modifications to any of the Transaction Documents which would (in the opinion of the Interest Rate Swap Provider, which shall be confirmed in writing within 20 Business Days of the Interest Rate Swap Provider receiving notice from the Issuer of such modifications to the Note Trustee and the Security Trustee prior to such modification) have: (A) the effect that immediately after such modification, the Interest Rate Swap Provider would be reasonably required to pay more or receive less under the Interest

Rate Swap Agreement if the Interest Rate Swap Provider (as applicable) were to replace itself as swap counterparty under the Interest Rate Swap Transaction than it would otherwise have been required to prior to such modification; or (B) the effect of altering the amount, timing or priority of any payments or deliveries due from the Issuer to the Interest Rate Swap Provider or from the Interest Rate Swap Provider to the Issuer; or (C) a material adverse effect on the rights of the Interest Rate Swap Provider under the Transaction Documents (including for the avoidance of doubt and without limitation, its rights and obligations under the Interest Rate Swap Agreement and its regulatory treatment of the Interest Rate Swap Agreement and the transactions thereunder), the prior written consent of the Interest Rate Swap Provider is required. Any such modification may be made on such terms and subject to such conditions (if any) as the Security Trustee may determine. Each Secured Creditor agrees that such modification shall be binding on it and, unless the Security Trustee otherwise agrees, notice thereof shall be given by the Cash Manager to the Secured Creditors as soon as practicable thereafter.

24.8 Additional right of modification

- (a) Notwithstanding the provisions of **Clause 24.7** (Modification to Transaction Documents), the Security Trustee shall be obliged, without any written consent or actions of the Noteholders, or, subject to the receipt of consent from any of the Secured Creditors party to the Transaction Document being modified or whose ranking in any Priority of Payments is affected, any of the Secured Creditors, to concur with the Issuer in making any modification (other than a Basic Terms Modification) to any Transaction Document or enter into any new, supplemental or additional documents that the Issuer (in each case) considers necessary:
- (i) in order to enable the Issuer and/or the Interest Rate Swap Provider to comply with any requirements which may apply under UK EMIR and/or EU EMIR, subject to receipt by the Note Trustee and the Security Trustee of a certificate issued by (A) the Issuer or (B) the Cash Manager on behalf of the Issuer certifying to the Note Trustee and the Security Trustee the requested amendments are to be made solely for the purpose of enabling the Issuer or the Interest Rate Swap Provider, as the case may be, to satisfy any requirements that may apply under UK EMIR and/or EU EMIR and have been drafted solely to that effect;
 - (ii) for the purpose of complying with, or implementing or reflecting, any change in the criteria of one or more of the Rating Agencies which may be applicable from time to time, provided that in relation to any amendment under this **Clause 24.8**:
 - (A) the Issuer or the Cash Manager on behalf of the Issuer certifies in writing to the Note Trustee and the Security Trustee that such modification is necessary to comply with such criteria or, as the case may be, is solely to implement and reflect such criteria; and
 - (B) in the case of any modification to a Transaction Document proposed by any of YBS, the Cash Manager, the Seller, the Servicer, the Account Bank, the GIC Provider, the Collateral Account Bank or the Interest Rate Swap Provider (for the purposes of this **Clause 24.8** only, each a **Relevant Party**) in order (x) to remain eligible to perform its role in such capacity in conformity with such criteria and/or (y) to avoid taking action which it would otherwise be required to take to enable it to continue performing such role (including, without limitation, posting collateral or advancing funds):

- I. the Relevant Party certifies in writing to the Issuer, the Note Trustee and the Security Trustee that such modification is necessary for the purposes described in **paragraph (B)(x)** and/or **(y)** above;
- II. either:
 - (a) the Issuer or the Cash Manager (on behalf of the Issuer) obtains from each of the Rating Agencies a Ratings Confirmation and, if relevant, delivers a copy of each such confirmation to the Issuer, the Note Trustee and the Security Trustee; or
 - (b) the Issuer or the Cash Manager (on behalf of the Issuer) certifies in writing to the Note Trustee and the Security Trustee that the Rating Agencies have been informed of the proposed modification and none of the Rating Agencies has indicated within 30 days of being so informed that such modification would result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to the Class A Notes by such Rating Agency or (y) such Rating Agency placing the Class A Notes on rating watch negative (or equivalent); and
- (C) YBS pays all costs and expenses (including legal fees) incurred by the Issuer and the Note Trustee and the Security Trustee or any other Transaction Party in connection with such modification,
- (iii) for the purpose of complying with any changes in the requirements of (A) Article 6 of the UK Securitisation Regulation, Article 6 of the EU Securitisation Regulation or the U.S. Credit Risk Retention Requirements, after the Closing Date, including as a result of the adoption of regulatory technical standards in relation to the UK Securitisation Regulation, (B) the UK CRR or (C) any other risk retention legislation or regulations or official guidance in relation thereto, provided that the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (iv) for the purpose of enabling the Notes to comply with the requirements of the UK Securitisation Regulation or the EU Securitisation Regulation, including relating to compliance with UK STS Requirements and the treatment of the Notes as a simple, transparent and standardised securitisation, and any related regulatory technical standards authorised under the UK Securitisation Regulation or the EU Securitisation Regulation, provided that the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (v) for the purpose of making any modification of the Notes or any of the Transaction Documents to enable the Issuer or any of the other Transaction Parties to comply with (i) FATCA or (ii) Section 15G of the Exchange Act, provided, in each case, that the Issuer (or the Cash Manager on its behalf) or the relevant Transaction Party certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;

- (vi) for the purpose of making any modification of the Notes or any of the Transaction Documents to comply with the provisions of Rule 17g-5 of the Securities Exchange Act of 1934, provided that the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (vii) for the purpose of enabling the Class A Notes to be (or to remain) listed on Euronext Dublin or, where the maintenance of such listing has become unduly onerous, procure and maintain either the admission of the Class A Notes to the Official List of the FCA and to trading on the regulated market of the London Stock Exchange or the listing of the Class A Notes on such other stock exchange or exchanges or securities market or markets as the Issuer may decide **provided that** such new stock exchange is a recognised stock exchange for the purposes of Section 987 of the ITA 2007, provided that the Issuer certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (viii) for the purpose of complying with any changes in the requirements of the UK CRA Regulation after the Closing Date, including as a result of the adoption of regulatory technical standards in relation to the UK CRA Regulation or regulations or official guidance in relation thereto, provided that the Issuer certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (ix) for the purpose of appointing any additional Collateral Account Bank or opening any additional Collateral Accounts (including, without limitation, any custody accounts); provided that the Issuer certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect,

(the certificate to be provided by (A) the Issuer, (B) the Cash Manager (on behalf of the Issuer) and/or (C) the Relevant Party, as the case may be, pursuant to **paragraphs (i) to (ix)** above being a **Modification Certificate**); or

- (x) for the purpose of changing the reference rate or the base rate that then applies in respect of any of the Notes (**Reference Rate**) to an alternative base rate (including where such base rate may remain linked to SONIA but may be calculated in a different manner) (any such rate, which may include an alternative screen rate, an **Alternative Base Rate**) and make such other amendments as are necessary or advisable in the reasonable judgement of the Issuer to facilitate such change (a **Base Rate Modification**), provided that:
 - (A) the Cash Manager, on behalf of the Issuer, certifies to the Note Trustee and the Security Trustee in writing (such certificate, a **Base Rate Modification Certificate**) that:
 - I. such Base Rate Modification is being undertaken due to:
 - (a) a SONIA-based rate being introduced and becoming a standard means of calculating interest for similar transactions;
 - (b) an alternative manner of calculating a SONIA-based rate being introduced and becoming a standard means of calculating interest for similar transactions;

- (c) a material disruption to the Reference Rate, an adverse change in the methodology of calculating the Reference Rate or the Reference Rate ceasing to exist or be published;
- (d) the insolvency or cessation of business of the administrator of the Reference Rate (in circumstances where no successor administrator of the Reference Rate has been appointed);
- (e) a public statement by the administrator of the Reference Rate that it will cease publishing such Reference Rate permanently or indefinitely (in circumstances where no successor administrator for the Reference Rate has been appointed that will continue publication of the Reference Rate);
- (f) a public statement by the supervisor of the administrator of the Reference Rate that such Reference Rate has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner;
- (g) a public statement by the supervisor of the administrator of the Reference Rate that means such Reference Rate may no longer be used or that its use is subject to restrictions or adverse consequences; or
- (h) the reasonable expectation of the Cash Manager that any of the events specified in sub-paragraphs (a) to (g) above will occur or exist within six months of the proposed effective date of such Base Rate Modification; and

II. such Alternative Base Rate is:

- (a) a base rate published, endorsed, approved or recognised by the Bank of England or any regulator in the United Kingdom or the European Union or any stock exchange on which the Notes are listed (or any relevant committee or other body established, sponsored or approved by any of the foregoing);
- (b) a base rate utilised in a material number of publicly-listed new issues of Sterling-denominated asset-backed floating rate notes prior to the effective date of such Base Rate Modification;
- (c) a base rate utilised in a publicly-listed new issue of Sterling-denominated asset backed floating rate notes where the originator of the relevant assets is an affiliate of Yorkshire Building Society; or
- (d) such other base rate as the Cash Manager reasonably determines,

- (B) for the purpose of changing the base rate that then applies in respect of the Interest Rate Swap Agreement to an alternative base rate as is necessary or advisable in the commercially reasonable judgment of the Issuer (or the Cash Manager on its behalf) and the Interest Rate Swap Provider solely as a consequence of a Base Rate Modification and solely for the purpose of aligning the base rate of the Interest Rate Swap Agreement to the base rate of the Notes following such Base Rate Modification, provided that the Cash Manager, on behalf of the Issuer, certifies to

the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and it has been drafted solely to such effect (such certificate being a **Swap Rate Modification Certificate**);

and provided that:

- I. at least 30 calendar days' prior written notice of any such proposed modification has been given to the Note Trustee, the Security Trustee, the Interest Rate Swap Provider;
- II. the Modification Certificate, Base Rate Modification Certificate or Swap Rate Modification Certificate in relation to such modification shall be provided to the Note Trustee and the Security Trustee both at the time the Note Trustee and the Security Trustee is notified of the proposed modification and on the date that such modification takes effect; and
- III. the consent of each Secured Creditor which is party to the relevant Transaction Document or whose ranking in any Priority of Payments is affected has been obtained,

and provided further that, other than in the case of a modification pursuant to **paragraph (i) above**:

- IV. other than in the case of a modification pursuant to **paragraph (ii)(B) above**, either:
 - (a) the Issuer or the Cash Manager (on behalf of the Issuer) obtains from each of the Rating Agencies a Ratings Confirmation; or
 - (b) the Issuer or the Cash Manager (on behalf of the Issuer) certifies in writing to the Note Trustee and the Security Trustee that the Rating Agencies have been informed of the proposed modification and none of the Rating Agencies has indicated within 30 days of being so informed that such modification would result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to the Class A Notes by such Rating Agency or (y) such Rating Agency placing the Class A Notes on rating watch negative (or equivalent); and
- V. the Issuer certifies in writing to the Note Trustee and the Security Trustee that (a) the Issuer has provided at least 30 days' notice to the Noteholders of each Class of the proposed modification in accordance with Condition 15 (*Notice to Noteholders*) and by publication on Bloomberg on the "Company News" screen relating to the Notes and (b) Noteholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the most senior Class of Notes then outstanding have not contacted the Issuer in writing (or otherwise in accordance with the then current practice of any applicable clearing system through which such Notes may be held) within such notification period notifying the Issuer that such Noteholders do not consent to the modification.

If Noteholders representing at least 10% of the aggregate Principal Amount Outstanding of the most senior Class of Notes then outstanding have notified the Issuer in writing (or otherwise in accordance with the then current practice of any applicable clearing system through which such Notes may be held) within the notification period referred to above that they do not consent to the modification, then such modification will not be made unless an Extraordinary Resolution of the Controlling Class is passed in favour of such modification in accordance with the Trust Deed.

Objections made in writing other than through the applicable clearing system must be accompanied by evidence to the Issuer's satisfaction (having regard to prevailing market practices) of the relevant Noteholder's holding of the Notes.

24.9 Consent to Additional Right of Modification

- (a) Other than where specifically provided in **Clause 24.8** (Additional right of modification) or any Transaction Document:
 - (i) when implementing any modification pursuant to **Clause 24.8**, the Security Trustee shall not consider the interests of any Secured Creditor or any other person and the Security Trustee shall act and rely solely and without further investigation on any certificate or evidence provided to them by the Issuer or the relevant Transaction Party, as the case may be, pursuant to **Clause 24.8** (Additional right of modification) and shall not be liable to any Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person or constitutes a Basic Terms Modification; and
 - (ii) the Security Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Security Trustee would have the effect of (A) exposing the Security Trustee to any Liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (B) increasing the obligations or duties, or decreasing the rights or protection of the Security Trustee in the Transaction Documents.
- (b) Any such modification may be made on such terms and subject to such conditions (if any) as the Security Trustee may determine. Each Secured Creditor agrees that such modification shall be binding on it and notice thereof shall be given by the Cash Manager to the Secured Creditors as soon as practicable thereafter.

24.10 Authorisation or Waiver of Breach

The Security Trustee may, only with the written consent of the Secured Creditors which are a party to the relevant Transaction Documents but without the consent or sanction of the other Secured Creditors, without prejudice to its right in respect of any further or other breach, from time to time and at any time authorise or waive, on such terms and conditions (if any) as shall seem expedient to it, any proposed or actual breach of any of the covenants or provisions contained in or arising pursuant to any of the Transaction Documents by any party thereto, but only if and in so far as it receives written confirmation from the Note Trustee that in its opinion the interests of the Noteholders will not be materially prejudiced thereby. Any such authorisation or waiver shall be binding on the Secured Creditors and notice thereof shall be given by the Cash Manager to the Secured Creditors and to the Rating Agencies as soon as practicable thereafter.

24.11 Incorporation by Reference

The provisions of **Schedule 1** (Form of the Global Note) and **Clause 27** (Substitution) of the Trust Deed shall be deemed to be incorporated in this Deed but (except as the context otherwise requires) as if references therein to the Note Trustee were to the Security Trustee other than the references therein to an Extraordinary Resolution directing the Note Trustee to give a Note Acceleration Notice under Condition 10 (*Events of Default*).

25. REMUNERATION AND INDEMNIFICATION OF THE SECURITY TRUSTEE

25.1 Remuneration

The Issuer shall (subject as hereinafter provided) pay to the Security Trustee annually a fee of such amount and payable on such dates as shall from time to time be agreed in a separate fee letter by the Issuer and the Security Trustee, provided that (i) if and for so long as the Note Trustee and the Security Trustee are the same person, no such fee shall be payable under this Deed and (ii) if the Note Trustee and the Security Trustee are not the same entity, the Security Trustee will have the ability to revise any fees payable to it from time to time. All such remuneration shall be payable in accordance with the Pre-Acceleration Revenue Priority of Payments or, as the case may be, the Post-Acceleration Priority of Payments. Such remuneration shall accrue from day to day and be payable up to and including the date when all of the Secured Obligations have been paid or discharged and the Security Trustee has released, reassigned, retrocessed and/or discharged the Charged Assets as provided in **Clause 4.2** (On Payment or Discharge of Secured Obligations).

25.2 Additional Remuneration

In the event of an Event of Default (or an event or circumstance which would be, with the expiry of a grace period, an Event of Default) occurring or in the event of the Security Trustee finding it expedient or necessary or being required to undertake any duties which the Security Trustee reasonably considers to be of an exceptional nature or otherwise outside the scope of the normal duties of the Security Trustee under this Deed, the Issuer shall pay to the Security Trustee such additional remuneration as shall be agreed between the Security Trustee and the Issuer (which may be calculated by reference to the Security Trustee's normal hourly rates in force from time to time). For the avoidance of doubt, any duties in connection with investments, the granting of consents or waivers concurring in modifications, substitution of the Issuer or enforcement, or during the period post enforcement, shall be deemed to be of an exceptional nature.

25.3 Disputes

In the event of the Security Trustee and the Issuer failing to agree upon the amount of any remuneration from time to time pursuant to **Clause 25.1** (Remuneration) or to agree in a case to which **Clause 25.2** (Additional Remuneration) above applies, upon whether such duties are of an exceptional nature or otherwise outside the scope of the normal duties of the Security Trustee hereunder or upon the amount of such additional remuneration, such matters shall be determined by a person (acting as an expert and not as an arbitrator) selected by the Security Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of the Law Society of England and Wales, the expenses being involved in such nomination and the fees of such person being payable by the Issuer, and the decision of any such person shall be final and binding on the Issuer and the Security Trustee.

25.4 Expenses

In addition to remuneration hereunder, the Issuer shall pay (on an indemnity basis) all other costs, charges and expenses not expressly waived in the fee letter referenced in **Clause 25.1**

(Remuneration) which the Security Trustee or the Receiver of the Issuer and any other Appointee may properly incur in relation to the negotiation, preparation and execution of, the exercise or attempted exercise of its powers and the performance of its duties under, and in any other manner in relation to, this Deed, the Security and any of the other Transaction Documents to which the Security Trustee is a party including but not limited to travelling and legal expenses and any stamp, issue, registration, documentary and other taxes or duties paid or payable by the Security Trustee or the Receiver of the Issuer in connection with any action taken or contemplated by or on behalf of the Security Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, this Deed, the Security or any of the other Transaction Documents (including, in each case, any Irrecoverable VAT in respect thereof but excluding, for the avoidance of doubt, any Tax on the Security Trustee or Receiver's net income, profit or gains).

25.5 Indemnity

Subject to **Clause 23.9** (No Indemnity) and without prejudice to the right of indemnity by law given to trustees, the Issuer shall indemnify the Security Trustee and the Receiver of the Issuer and any other Appointee, on an after Tax basis, in respect of all Liabilities (excluding, for the avoidance of doubt, any Tax on the Security Trustee or Receiver's net income, profit or gains) whether in contract, tort, delict or otherwise now or hereafter to which it (or any person appointed by it to whom any trust, power, authority or discretion may be delegated by it in the execution or purported execution of the trusts, powers, authorities or discretions vested in it by or pursuant to this Deed and any of the other Transaction Documents) may be or become liable or which may be properly incurred by it (or any such person as aforesaid) in the execution or purported execution of any of its trusts, powers, authorities and discretions hereunder or its functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to this Deed and any of the other Transaction Documents, or any such appointment (including, in each case, any Irrecoverable VAT in respect thereof) and the Security Trustee and the Receiver of the Issuer and any other Appointee shall be entitled to be indemnified out of the Charged Assets in respect thereof save where the same arises as the result of the fraud, negligence or wilful default of the Security Trustee or its officers or employees. The Security Trustee shall not be entitled to be paid twice in respect of the same matter pursuant to this **Clause 25.5**.

25.6 Interest

- (a) All sums payable by the Issuer under **Clauses 25.3** (Disputes), **25.4** (Expenses) and **25.5** (Indemnity) shall be payable on demand and:
 - (i) in the case of payments actually made by the Security Trustee prior to the demand, shall carry interest at the rate per annum which is one per cent. per annum above the Bank of England Base Rate for the time being from the first Business Day following the date of the same being demanded to the date of actual payment (provided that such demand shall be made on a Business Day, otherwise interest shall be payable from the second Business Day following the date of the demand to the date of actual payment); and
 - (ii) in all other cases, shall carry interest at such rate from the date fifteen (15) days after the date of the same being demanded or (where the demand specifies that payment by the Security Trustee will be made on an earlier date provided such earlier date is a business day) from such earlier date (not being earlier than the Business Day following the date of such demand) to the date of actual payment.
- (b) Any amounts payable pursuant to **Clauses 25.1** (Remuneration) to **25.2** (Additional Remuneration) (inclusive) shall carry interest at the aforesaid rate from the due date thereof to the date of actual payment.

25.7 Stamp Duties

The Issuer shall, to the extent permitted by applicable United Kingdom law, pay all stamp duties and other duties or taxes, including for the avoidance of doubt any tax levied under the Stamp Act 1891 as amended and supplemented, (if any) payable on or arising out of or in consequence of:

- (a) the creation of the Security constituted by or pursuant to this Deed; and
- (b) the execution and delivery of this Deed and enforcement of its provisions or the Security and documents executed pursuant hereto and the other Transaction Documents.

25.8 Survival

Unless otherwise specifically stated in any discharge of this Deed, the provisions of this **Clause 25** shall continue in full force and effect notwithstanding such discharge and whether or not the Security Trustee is then the Security Trustee of these presents.

26. APPOINTMENT OF NEW SECURITY TRUSTEE AND REMOVAL OF SECURITY TRUSTEE

26.1 Power of Issuer

The power of appointing a new Security Trustee shall be vested in the Issuer, provided that such appointment must be approved by an Extraordinary Resolution of the Controlling Class and in writing by each Secured Creditor (such approval not to be unreasonably withheld or delayed). A Trust Corporation may be appointed sole security trustee hereof but subject hereto there shall be at least two security trustees hereof. Any appointment of a new Security Trustee and any retirement or removal of an existing Security Trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Secured Creditors.

26.2 Power of Security Trustee

- (a) Notwithstanding the provisions of **Clause 26.1** (Power of Issuer), the Security Trustee may (as attorney for the Issuer) upon giving prior notice to the Issuer but without the consent of the Issuer or the Secured Creditors appoint any person established or resident in any jurisdiction (whether a trust corporation or not) to act either as a separate security trustee or as a co-trustee jointly with the Security Trustee:
 - (i) if the Security Trustee considers such appointment to be in the interests of the Secured Creditors (or any of them);
 - (ii) for the purposes of conforming to any legal requirement, restrictions or conditions in any jurisdiction in which any particular act or acts are to be performed or any Charged Assets is or is to be located; or
 - (iii) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of this Deed or any of the other Transaction Documents to which the Security Trustee is a party or obligations arising pursuant thereto or any of the security constituted by or pursuant to this Deed.
- (b) The Issuer hereby irrevocably appoints the Security Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of this Deed or any of the other Transaction Documents to which

the Security Trustee is a party) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Security Trustee by this Deed or any of the other Transaction Documents to which the Security Trustee is a party) and such duties and obligations as shall be conferred or imposed on it by the instrument of appointment. The Security Trustee shall have power in like manner to remove any such person.

26.3 Multiple Trustees

Whenever there shall be more than two security trustees hereof, the majority of such security trustees shall (provided such majority includes a trust corporation) be competent to execute and exercise all the trusts, powers, authorities and discretions vested by this Deed and any of the other Transaction Documents in the Security Trustee generally.

27. RETIREMENT OF SECURITY TRUSTEE

Any security trustee for the time being of this Deed may retire at any time upon giving not less than sixty (60) days' prior notice in writing to the Issuer without assigning any reason therefor and without being responsible for any Liabilities resulting from such retirement. The Controlling Class may, by Extraordinary Resolution, remove all trustee or trustees (but not some only) for the time being of this Deed and the Trust Deed. The retirement or removal of any security trustee shall not become effective unless there remains at least one security trustee hereof being a Trust Corporation in office upon such retirement or removal. The Issuer covenants that, in the event of a security trustee (being a sole security trustee or the only Trust Corporation) giving notice under this **Clause 27** or being removed as referred to in **Clause 26.1** (Power of Issuer), it shall use its best endeavours to procure a new security trustee of this Deed (being a Trust Corporation) to be appointed as soon as reasonably practicable thereafter. If the Issuer has not appointed a new security trustee prior to the expiry of the notice period given by the Security Trustee, the Security Trustee shall be entitled to nominate a replacement, being a Trust Corporation provided such replacement is acceptable to the Issuer and the Note Trustee (acting reasonably).

28. NOTICES AND DEMANDS

28.1 Service of Notices

Any notices to be given pursuant to this Deed to any of the parties hereto shall be sufficiently served if sent to the addresses given in **Clause 28.2** (Address) by prepaid first class post, by hand, facsimile transmission or email and shall be deemed to be given (in the case of facsimile transmission or email) when despatched, (where delivered by hand) on the day of delivery if delivered before 5.00 pm (London time) on a Business Day or on the next Business Day if delivered thereafter or on a day which is not a Business Day or (in the case of first class post) when it would be received in the ordinary course of the post. Any notices to be given pursuant to this Deed to Noteholders will be given in accordance with the relevant Conditions.

29.2 Evidence of Indebtedness

In any action, proceedings or claim relating to this Deed or the charges contained in this Deed, a statement as to any amount due to any Secured Creditor or of the Secured Obligations or any part thereof or a statement of any amounts which have been notified to the Security Trustee as being amounts due to any Secured Creditor which is certified as being correct by an officer of the Security Trustee or an officer of the relevant Secured Creditor shall, save in the case of manifest error, be conclusive evidence that such amount is in fact due and payable.

29.3 Rights Cumulative, Waivers

The respective rights of the Security Trustee, the Secured Creditors and any Receiver are cumulative, and may be exercised as often as they consider appropriate and are in addition to their respective rights under the general law. 29.4 Invalidity of any Provision

If any of the provisions of this Deed become invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

29.5 Severability

Any provision of this Deed which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. - (b) Each of the parties hereto (other than the Note Trustee and the Security Trustee) hereby agree to enter into any necessary document required in connection with the termination of the appointment of any party to any of the Transaction Documents and their replacement with a successor or replacement party (including, without limitation, any deed of accession or deed of novation), any costs in relation to which shall be borne by the Issuer.
- (c) A corporation into which the Security Trustee may be merged or converted, or any corporation with which the Security Trustee may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Security Trustee shall be a party, shall, on the date when the merger, conversion or consolidation becomes effective and to the extent permitted by any applicable laws and subject to any requirements set out in this Deed become the successor security trustee under this Deed without the execution or filing of any paper or any further act on the part of the parties to this Deed, unless otherwise required by the Issuer, and after the said effective date, all references in this Deed to the Security Trustee shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion or consolidation shall immediately be given to the Issuer and the Note Trustee by the Security Trustee.

30. VARIATION

No variation of any provision(s) of this Deed shall be effective unless it is in writing and may be signed only by the Issuer and Security Trustee together.

31. SECURED CREDITORS

Each Secured Creditor (other than the Security Trustee) shall be bound by the provisions of this Deed, the Conditions and the Trust Deed as if it contained covenants by each Secured Creditor in favour of the Security Trustee and every other Secured Creditor to observe and be bound by all the provisions of this Deed expressed to apply to Secured Creditors.
