Why is this agency closing?

As a mutual organisation, we always think carefully about how we invest our members' money. We've decided to close this agency after a careful review of how many members use it. We are still fully committed to having branches and agencies across the UK.

Why are we not replacing the agency?

YBS has reviewed the following data to understand the member need in this agency.

Ryde customers in the last 12 months

**992 active
members**

this is 46% lower
than the median
of active members
across our branches
and agencies.

**22
members**

made a monthly
transaction in this
agency.

**129
members**

used this agency
frequently. This
means they've made
a transaction in at
least 6 months of
the past 12 months.

**52%
members**

that have an open
account and was
opened at this agency
haven't used the
agency in the last
12 months.*
